

Please do NOT overturn New Jersey's Do-Not-Call Legislation. Telemarketers are bold, merciless, and they have no qualms about lying. My husband's Mom is 91 and still gets calls from solicitors who make their pitch sound like "you better say yes" or something dire will happen to you or your home. Please make sure there is strength and some sort of punishment if telemarketers call people even though they registered on the Do-Not-Call list. Thank you very much.
